CHINCHILLA MELON FESTIVAL

How It All Started...

The Chinchilla Melon Festival is a beloved and vibrant celebration of both the town's rich melon farming heritage and its resilience. Originating in 1994 to boost the community's morale during a prolonged drought, the festival has grown into a renowned Queensland event, drawing crowds from near and far.

Over the years, the festival has evolved, growing from 2,500 attendees at its first event to a remarkable 20,000 by 2023. Its centrepiece, the Big Melon Slice, gifted to Chinchilla after winning the 2018 Wotif "Big Thing" competition, has become an iconic symbol of the event. This massive watermelon slice stands three metres high and nine metres wide, and sits proudly on the Warrego Highway, welcoming visitors to the town.

Organised by a dedicated team of volunteers, the festival continues to be a highly anticipated, family-friendly event every two years. In 2025, the town will celebrate its 16th festival, inviting people from all over the world to join in the fun. If you've ever dreamt of skiing on watermelons or taking part in the exciting melon bungy, this may be your perfect opportunity to experience something truly unique! Get ready to dive into an adventure like no other, where fun and excitement meet creativity in the most unexpected ways. Whether you're looking to conquer the ski run in a whole new way or take a leap into the ultimate fruity challenge, this event promises memories that will last a lifetime!

Slip & slide your way to the 2025 Chinchilla Melon Festival- it's an event you won't want to miss!
